

2026 UConn Science Olympiad Invitational Competition Information Sheet

Hello coaches and Science Olympiad teams! We are so excited to have you at our Invitational Competition on February 14th, 2026!

Should you have any questions, please reach out to us at uconn.scioly@gmail.com.

Most important info!

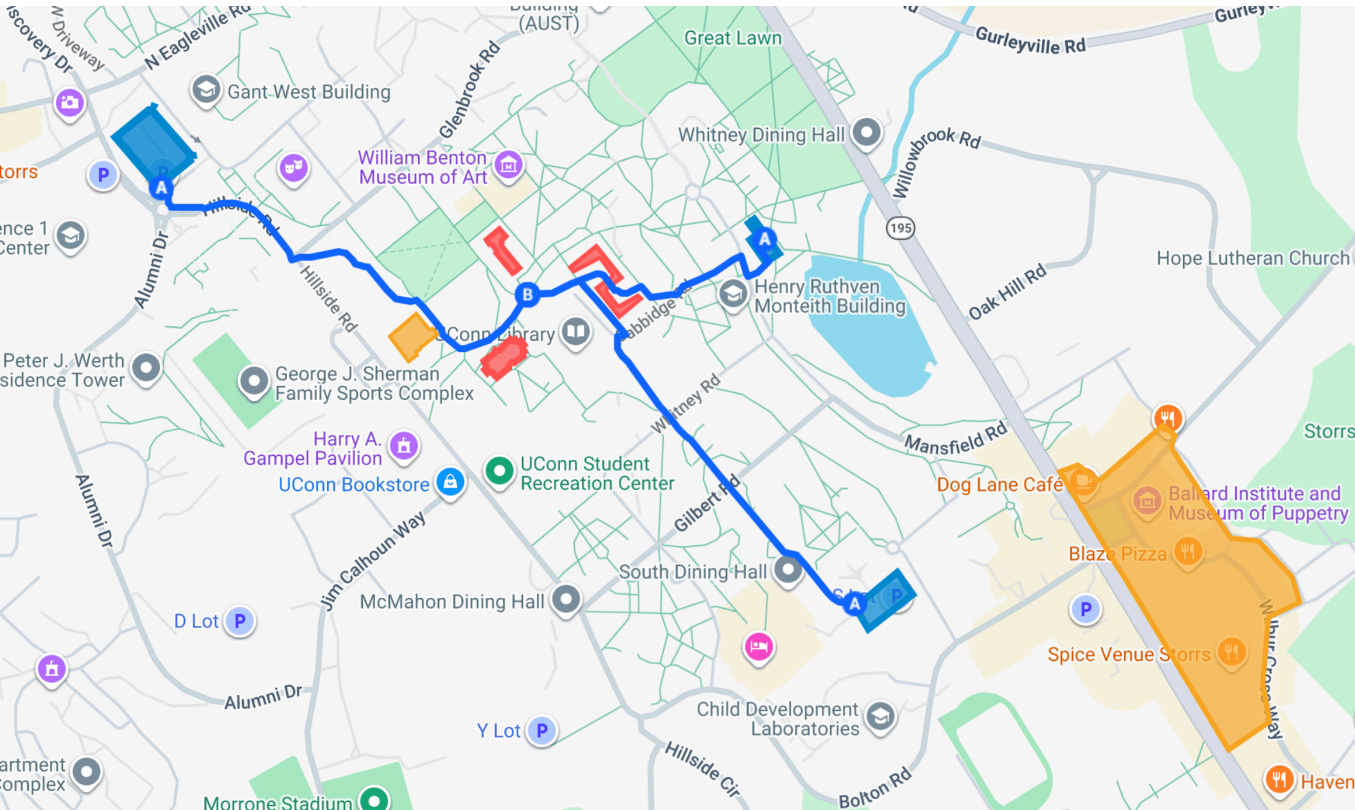

- Team check in and impound is from 7:00am-8:00am, however in the interest of time, **please plan to arrive between 7:00am-7:30am.**
- An **event map** has been included in this information sheet. Please refer to it for locations for parking. You can also access the map online at <https://www.google.com/maps/d/u/0/edit?mid=1JR0rTU4jN76koHLTJKxMmZOIJluPrjA&usp=sharing>.
- As a reminder, **we require at least one volunteer to be provided by each team** (so if you are bringing two teams, please designate at least two people as volunteers).
- **Lunch will not be provided**, however there are many places to eat at either the Student Union and at downtown Storrs. (note that free pizza will be provided to any volunteers)
- Your team(s) will receive their **slot assignment** (either A, B, or C) during check in. Students in that team should attend their events during the time slot for their team. See the event schedule below for more info.
- If you or your volunteers have any questions, they should **visit our test scoring room in ITE 336**. If for some reason no one is currently in that room, they may email uconn.scioly@gmail.com.
- All tests will be provided by us.

Event Schedule

We are following the nationals schedule at our competition. **Note that all lab events will be dry-lab only, as in we will only be running the test-portion of the event** (To name a few, this includes Circuit Lab, Crime Busters, Potions and Poisons, etc.).

Event	Room	7:00 - 8:00	8:00 - 8:20	8:30 - 9:30	9:40 - 10:40	10:50 - 11:50	11:50 - 12:40	12:40 - 1:40	1:50 - 2:50	3:00 - 4:00	4:00-5:30	5:30-6:30			
		AM	AM	AM	AM	AM	AM/PM	PM	PM	PM	PM	PM

Solar System	GENT 436			B	C								A		
Water Quality	GENT 119E							A	B	C					
Write It Do It	GENT 140C					A		B	C						

Event Map

You can find an online version of this map at [this link](#).

Blue: Parking locations. Note that there is a basketball game in the evening as well as a concert at Jorgensen on Feb. 14th, so there may be some traffic leaving our competition.

Red: Competition buildings.

Orange: Locations for food, including the Student Union and downtown Mansfield.

Event Rooms

All event rooms are shown on the schedule above. For the most part, all events are in the Gentry (GENT) and Information Technology Engineering building (ITE) buildings. All team rooms and some events are in Susan Herbst Hall (SHH). You will be assigned a team room during check in. Space-permitting, if you've registered two teams, we can give you two team rooms during check in on a first-come-first-serve basis (each team room has seating for approximately 25 people).

Info For Volunteers

ITE 336 is a reserved room for volunteers for the purpose of marking tests and as a meeting location. If you have any questions at any point, please visit this room to consult with other volunteers, or you can email uconn.scioly@gmail.com or text Caitlyn Moon at 959-444-1776 or Riley Francis at 860-481-1411.

We will be providing pizza for lunch free of charge to any volunteers at 12:00 in ITE 336.

Thank you very much for taking the time to volunteer at our competition! We could not do it without you!
